We thank all applicants for their interests, efforts in putting together the application package, and sharing your work with us. However, due to the high volume of applications we receive relative to the number of spots available in each cohort, only suitable candidates will be contacted for an interview with the admissions committee. All applicants will receive a decision letter at least two months before the program start date. Incomplete and unsuccessful applications are kept on file for one year and can be transferred over to another admissions period for re-application within the year, by request. We require an updated statement of interest and new application fee payment for all re-applications.
